2. Minutes & Matters Arising

Our main focus has still been the school's Golden Years and agreeing final ideas. Mrs Capper joined us to give us her ideas. We also shared the wonderful photograph of the School Council. We also had an idea if children would like to come to school on their birthday in non-school uniform; Ms Tomlinson was going to approach the governors about this idea.

3. Golden Years

Several ideas for a fruit\active activity were mentioned in the council meeting on the Golden Years. Mrs Capper is going to organise a fruit\active activity for each class to lead on the day. This will be done fairly by being picked from a lucky dip. We were going to ask healthy and active lifestyles, Sports Councillors and Change for Life to be involved. Also FOWW and governors will be asked to help at stations on the day. Mrs Capper, Sports Council and Change for Life team will sort agendas for that day. Also parents will bring own picnic and blankets on the day and there will be games played on the playground from years ago, led by the MDAs.

4. Water Aid Fundraising

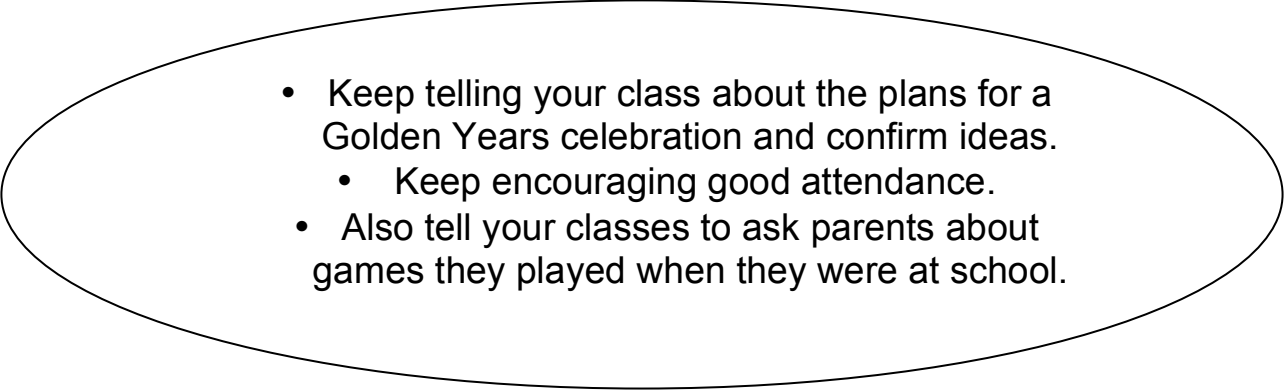

The School Council still had a lot of ideas to share on the Water Aid fundraising ie hook a duck but it was agreed that it will be spoken about and organised at the next meeting.
