2. Minutes & Matters Arising

The children practised giving good feedback. We went through some of the ideas the children had already received from their classes. Year 5 took the helpful school council books this week. Well done to all the children for remembering their folder, wallets and pencils.

3. Training: Listening & Feedback

The children reviewed how to give good feedback to their classes. The children found a partner and they did role-play to help them which they all completed very well. Top tips were handed out to help the children to remember to report back to their class. Remember to Listen, take notes and then share.

4. Photograph permissions for school website.

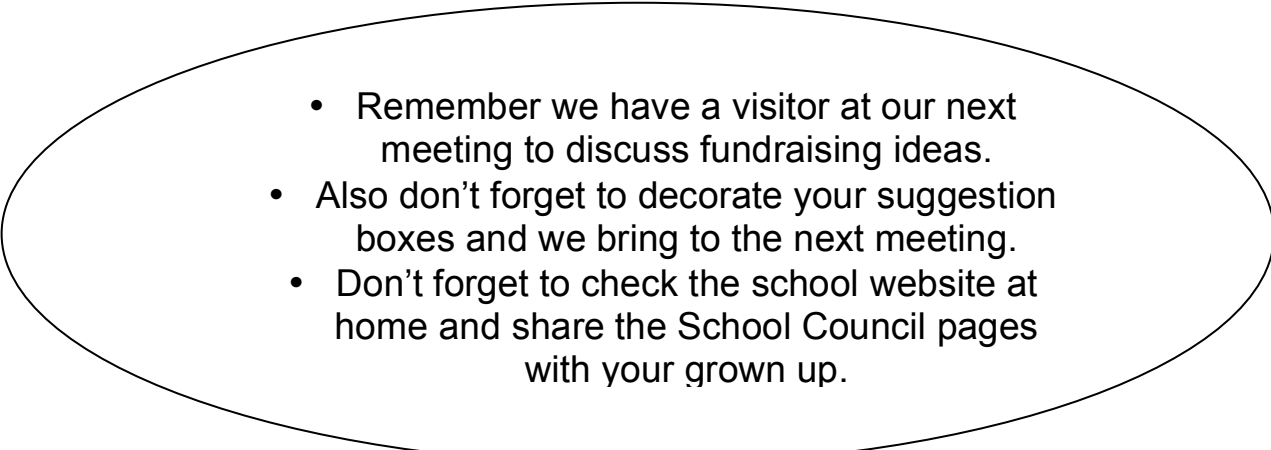

The Children were shown the School Council pages on the website and explained how it works. They looked at photos of the previous School Councillors and were told that this would be lovely to do with them so permissions for this will be checked.

5. Suggestion Boxes.

Suggestion boxes was an idea so that every child in the school could give their feedback. There will be a box for every year on their corridor with a pencil and paper. These boxes will be decorated by the School Councillors and we look forward to seeing them at the next School Council meeting.
