2. Minutes & Matters Arising

Children were told that the FOWWS will be donating a cheque to the school in assembly on Monday the 13th February. They will explain to the children how they work as a team and what everyone's roles and responsibilities are. Which will help the Councillors as the meeting today was all about roles and responsibilities. Councillors were reminded to share their Council minutes with their classes. All classes need to be kept up to date with all information shared at the meetings.

3. School Charity of the Year

In this Council meeting we welcomed Mrs Williams, Y3 Teacher. She was here to talk to the Councillors about a charity, which they could support. Mrs Williams' son attends Nottingham University and they raise money for children in Uganda. The charity is called KiSS Charity. The money raised provides children with uniform, shoes etc. and gives them a better future. The Councillors need to talk to their Class Councils and decide if they want to adopt this charity as Willow Wood's charity of the year. Look at <http://kiddiessupportscheme.org>

4. Roles and Responsibilities.

The Council considered the range of roles and responsibilities that were required to make the School Council run effectively. The Councillors were asked to look around the room and think who they would like to be in a certain role. Every child had one nomination. There was some great voting from the

children. And this was the outcome from all the votes. Every child was given a role.
