

# Key Improvement Priorities 2016-17

## Leadership and Management

### Key Improvement 1

- a. To work with our School Improvement Partner to promote great outcomes for pupils.
- b. To ensure the building project provides a high quality learning environment for all.
- c. To understand and listen to parent feedback.

## Personal Development

### Key Improvement 3

To work with pupils to give them the skills to become thoughtful, caring and active members of the community.

## Teaching, Learning and Assessment

### Key Improvement 2

To work with all teachers to improve their knowledge and understanding of National Standards in reading, writing and maths, through continued professional development.

## Outcomes for Pupils

### Key Improvement 5

To raise standards in reading, writing and maths so that all pupils make sufficient progress from their starting points to meet National Standards or work at greater depth.

## Early Years

### Key Improvement 4

- a. To plan a broad range of interesting and challenging experiences that meet the children's needs and help them make progress in maths.
- b. To work with parents to support their children's learning at home and school.
- c. To close the gaps between the attainment of groups.
