

**Willow Wood Community Primary School  
School Council  
13<sup>th</sup> December 2013  
2pm – Rainbow Room**

**1. Welcome and Attendance**

Year 1: BE, KC

Year 2: KN, KP

Year 3/4: LM, JS, TS

Year 5: TT

Year 6: BR, AH, SN, BW

Members of staff: ST, EL, LD

**2. Minutes and Matters Arising (Feedback)**

- An update on the t-shirts for the Amazon children: they were flown out to the Amazon on Friday the 13<sup>th</sup> December and Neil is going to give them to the children on Christmas day! Neil will be back in January to share his news about the Amazon children with us!
- Logo Competition – there still hasn't been any entries for the Logo Competition for CLAW. Perhaps you could find an hour this week to get creative! Don't forget to remind your class!
- Well done to the Christmas choir for performing at the lights switch on and the Christmas fair! We're very proud of you!
- The feedback from MH for the Play Leaders is that they would like coloured bibs! Keep your eyes peeled for their introduction in the new year!

**3. Spring Term Plans**

BE raised an issue regarding the toilet taps in the infant building. When you press them to come on, they come on very fast and stay on for a long time. BE feels this is an important issue to tackle because a lot of water is being wasted. It was suggested that we could invest in some new taps like the type with sensors that you don't have to touch! Or we could speak to AS to see if he could fix them. BE and KP were nominated to speak to the site manager, AS, about the issue! Hopefully it will be resolved soon in the New Year!

KN raised some other issues including getting a water fountain outside and having better play equipment. BW agreed that the Juniors need some new footballs and basketballs too. This would cost money so maybe we could do a sponsored activity to raise money. During the next meeting, JC, as the P.E. co-ordinator will be invited to discuss these issues raised in the new term.

The School Council still feel there aren't enough alternatives at wet play. It was suggested to cone off the football pitch into areas or create different zones in the playground. We are still waiting for your feedback about the rota for wet play. Make sure you ask your class for feedback so we can organise a rota if the children want it.

#### **4. Photographs**

Finally, we took your photographs. Keep your eyes peeled for the photographs going on display in the infant and junior building! Have a wonderful Christmas and a Happy New Year! See you next year!

**Next meeting: Friday 10<sup>th</sup> January 2014 at 1:10pm in the **INFANT** building.**

**Next Actions:**

- **CLAW Logo Competition**
- **BE and KP to speak to AS**
- **Invite JC to the next meeting**
  - **Gain feedback on rota**
