Year 4: Mia, Marci  
Year 5: Ella, Cadey-Lea  
Year 6: Connie, Dragos, Lewis

Members of staff: Ms Tomlinson, Miss Gregory and Miss Battersby. Also Jo from Contour Education was present.

2. Minutes & Matters Arising

In this council meeting we focused on the attendance rewards and Jo from Contour Education came to speak to the children about her job role and a new idea that she wanted to share with the children. Also we would like to mention the fabulous £50.00 raised by our children and their generous donations from the Fairtrade tuck shop. This will go to our school charity of the year - KiSS.

3. Attendance Rewards

Every term the School Council have the job of discussing and deciding on what the children will receive in rewards for attendance. This is done very fairly with every child having an idea and an opinion. We have red, amber and green rewards. There were some great ideas and Councillors were asked to speak to their classes and see what their ideas were and then a

final decision will be made in our next meeting. This term all the Councillors will push for all the children to achieve over 92%, which will place them in either amber or green. When the rewards have been decided these will be displayed on the corridor for all children to see so they can work towards getting a good attendance. Here are a few of the ideas suggested by the School Councillors.

Green - outdoor fun such as races, orienteering, picnic and water play.

Amber - indoor fun was suggested such as playing board games and making paper airplanes.

Red – colouring and quiet activities.

#### 4. Enterprise Skills

Jo from Contour spoke to the children about her place of work and what her role is. She spoke about her work included helping another school with their fundraising. This school is based in Nottingham and they also have a School Council. Jo suggested that the schools could make a link and work together for example by both schools Skyping each other to discuss each child's job roles. The two schools are in totally different surroundings and environments so it would be great for the children to learn from each other.

#### 5. AOB

The children were asked to discuss and come up with some ideas for the end of summer term School Council assembly that takes place with their parents. Also Year 5 will be tracking their own attendance this term.

#### 6. Date of Next Meeting

Next Meeting Friday 12th May 2017- 1.15pm
