2. Minutes & Matters Arising

The Anti-bullying assemblies that the children conducted were great. We have the Anti-bullying children's charter to look over.

3. Anti-Bullying Children's Charter.

Every child was given an Anti-bullying policy. The policy was given a lot of time and looked over thoroughly by all the children. They decided to keep the policy the way it was but would discuss with their classes to see what they think and to make it suitable for their year group. A lengthy discussion was taken on this matter. Every child took part and gave great feedback.

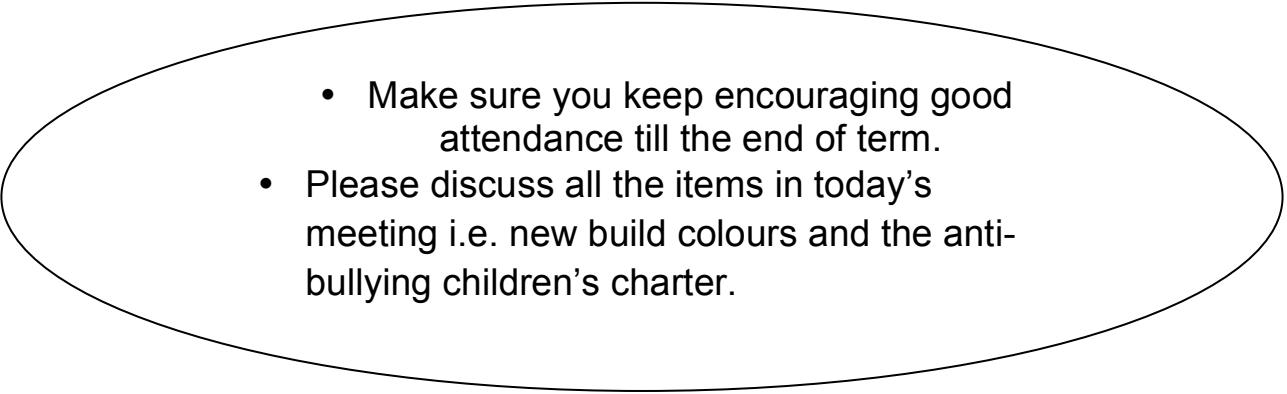

4. AOB.

Jo from Contour took the councillors photos for the School Council display in school.

Councillors discussed colours for the new build and they looked at carpet samples. Feedback was given they chose the colours they liked. All children had an opinion. Everyone was very excited.
