

Who Lives in Antarctica?

What I should already know

- I know the 7 continents of the world.
- I know the location of the North and South Poles.
- I know the location of the Equator.
- I know the similarities and differences between the UK and a different locality.
- I know the weather in cold and hot places.
- I know the location of some countries with hot/

Lines of latitude and longitude

Physical features of Antarctica

Key Vocabulary

Climate	The long-term weather conditions in a specific region.
Climate Zone	Areas of the world grouped together that have a similar climate.
Compass Points	North, East, South, West, North East, North West, South East, South West.
Direction	The way someone or something is moving in.
Drifting Ice	Thin, floating pieces of ice not attached to a glacier.
Hemisphere	One half of the Earth, We have a Northern and Southern Hemisphere.
Ice Sheet	A layer of ice covering the land for a long period of time, also known as a glacier.
Ice Shelf	A thin layer of ice extending off a glacier into the sea.
Iceberg	Large chunks of floating ice that break off a glacier.
Lines of Latitude	Invisible horizontal lines mapped on our globe to show how far north or south a place is from the Equator.
Lines of Longitude	Invisible vertical lines mapped on our globe to show how far east or west a place is from the Prime Meridian.
Prime Meridian	The imaginary line that runs from the North Pole to the South Pole.
Treaty	A formal written agreement between two places.

What I will learn (Sticky knowledge)

- I can understand the position and significance of lines of latitude.
- I can describe the location and physical features of Antarctica.
- I can describe the human features of Antarctica,
- I can use 4 figure grid references to plot Shackleton's route to Antarctica.
- I can plan a simple route using compass points.
- I can follow instructions involving compass points and map a simple route.

What I will learn next

- I will learn about Life in the Alps.
- I will learn the location and features of the Alps.
- I will describe the human and physical features of the Alps.
